

Wanted: Civil Designer

We are chasing a Civil Designer with 4+ yrs. experience who is looking for a challenge, and ready to take the next step in their career.

The right person has excellent communication and comprehension skills, complimented by significant experience in civil drafting covering stormwater, roads & drainage, and residential subdivisions etc. They'll need to be fluent in CAD and Civil 3D, and up-to-date with any and all relevant standards.

Salary package would be highly competitive, dependent on capability, experience, and drive. Special conditions include additional paid leave between Christmas and New Year in promotion of work/life balance.

The opportunity is to be a part of a rapidly growing team of young, welcoming, and multi-discipline professionals delivering award winning projects all over the world.

Please get in touch with [Chandler](mailto:chandlert@becollective.net) (chandlert@becollective.net), with your resume and a cover letter – or duck in anytime for a coffee. Help us get the word out!

About Us

BE Collective is a growing, award-winning, multi-discipline project management & design consultancy.

Our team is comprised of diligent passionate consultants who utilise their professional expertise to facilitate optimal Client outcomes. BE Collective maintains a rigorous approach to Continual Professional Development (CPD). In addition to the commitment required by the relevant institutes and councils, CPD targets are mandated as part each staff member's employment contract.

We challenge mediocrity and strive towards Client relationships and project team associations where a collective approach is championed in recognition of enhanced outcomes.
